# ADULT CARE DIAPERS

uaK`ANS Adult care diapers with high absorbency.

## Key Features:

- Reliable protection against leaks - the absorbent layer instantly blocks moisture, ensuring dryness and comfort.
- Breathable materials - prevent skin irritation and provide natural air circulation.
- Anatomical shape - follows the contours of the body without creating discomfort when moving.
- Fast absorption - innovative liquid retention technology neutralizes odors and prevents discomfort.
- Hypoallergenic materials - suitable even for sensitive skin.
- Convenient fasteners - secure fixation and ease of use.

## PRODUCT INFORMATION:

- Type : Disposable Diapers
- Number of drops: 8
- Size: S / M / L / XL / XXL
- Quantity in package: 30pcs
- Made in Turkey

# ADULT CARE PANTS

## PRODUCT INFORMATION:

- Type : Disposable Pants
- Number of drops: 8
- Size: M / L / XL
- Quantity in package: 30pcs
- Made in Turkey

uaK'ANS Adult care pants are thoughtfully designed to offer both comfort and convenience for individuals managing urinary incontinence, seamlessly supporting an active lifestyle with their discreet and thin profile.

### Key Features:

- **Perfect Fit:** Incorporating flexi-curl technology, which ensure a snug fit around the legs and waist, adapting smoothly to body movements.
- **Anatomical Design:** Tailored to conform to the body's natural contours, their slim design makes them suitable for everyday wear, providing discretion under various clothing styles.
- **360-Degree Waistband** encircles the body entirely, offering a secure and comfortable fit that moves with you.
- **Breathable Textile Surface:** breathable materials promote air circulation, reducing the risk of skin irritation.
- **Odor Control System:** Equipped with a specialized system to effectively trap and neutralize odors, boosting confidence throughout the day.
- **Double-Layer Superabsorbent Core:** Features a dual-layer core that maximizes absorption, keeping the skin dry and comfortable.
- **Leak Barriers:** Designed with leak guards to prevent unwanted leaks, providing additional protection and peace of mind.

# UROLOGICAL PADS

## PRODUCT INFORMATION:

- Type : Disposable Hygienic
- Number of drops: 4 / 6
- With wings for fixation
- Quantity in package: 20pcs
- Made in Turkey

uaK'ANS Urological pads are a reliable protection and comfort for every day.

At uaK'ANS, we understand the importance of feeling confident and comfortable every day. Our incontinence pads are thoughtfully designed to provide reliable protection and comfort, ensuring you feel secure and at ease during all your activities.

## Key Features:

- **Enhanced Absorbency:** Engineered with multi-layer technology, our pads effectively absorb moisture and prevent leaks, keeping you dry and confident throughout the day.
- **Comfort and Softness:** Crafted with a soft, hypoallergenic top layer, uaK'ANS pads minimize the risk of irritation, making them suitable for even the most sensitive skin.
- **Anatomical Design:** The ergonomic shape conforms to your body's natural contours, ensuring a secure fit that moves with you.
- **Breathable Materials:** Made with breathable fabrics, our pads promote air circulation, reducing discomfort and maintaining freshness.
- **Fragrance-Free:** Free from artificial fragrances, our pads are designed to minimize the risk of allergic reactions, providing additional comfort and protection.

# UNDERPADS

## PRODUCT INFORMATION:

- Type : Disposable Hygienic
- Size: 60x60 cm / 60x90 cm
- Quantity in package: 10pcs / 30pcs
- Made in Turkey

**uaK'ANS Absorbent underpads** offer reliable protection and comfort for everyday use. Featuring a super-absorbent layer, they effectively absorb and lock in moisture, ensuring dryness and hygiene.

The underpads measure 60x60/60x90 cm, making them versatile and suitable for both baby care and adult use requiring additional protection.

Each pack contains 30 pieces, providing an economical and practical solution for home use, healthcare facilities, and travel.

Compact and convenient 10-piece pack is ideal for travel, use on the road, on holiday or when storage space is limited at home.

Made from hypoallergenic materials that are soft to the touch and safe for sensitive skin, uaK'ANS underpads are your trusted partner in maintaining comfort and cleanliness.

# FEMININE HYGIENE

## PRODUCT INFORMATION:

- Type : Disposable Hygienic
- Number of drops: 4 / 6
- With wings for fixation
- Quantity in package: 20pcs
- Made in Turkey

uaK`ANS Menstrual pads are thoughtfully designed to cater to your needs, ensuring you feel secure and at ease throughout your day. Specially designed for a harmonious blend of protection, comfort and care.

## Key Features:

- Superior Absorbency: Our pads are engineered with multi-layer technology to provide exceptional absorbency, keeping you dry and confident even during heavy flows.
- Comfortable and Gentle: Crafted with a soft, hypoallergenic top layer, uaK`ANS pads minimize the risk of irritation, making them suitable for sensitive skin.
- Anatomical Design: The contoured shape conforms to your body's natural curves, offering a secure fit that moves with you.
- Breathable Materials: Our pads are made with breathable fabrics that allow air circulation, reducing discomfort and promoting freshness.
- Fragrance-Free: Free from artificial fragrances, our pads are designed to be gentle on your skin and prevent potential allergic reactions.

# WET WIPES

## PRODUCT INFORMATION:

- Type : Disposable Hygienic
- Free of alcohol and parabens
